GO VIRGINIA REGIONAL COUNCIL 9 PRIVATE SECTOR SERVICE

Thank you for your interest in serving on the GO Virginia Region 9 Council. The first page of this document highlights the program and the second page highlights Council structure and responsibilities.

GO Virginia Program Overview

What is GO Virginia?

The Virginia Initiative for Growth & Opportunity in each Region, known as GO Virginia, seeks to promote private-sector growth and high-paying job opportunities across all regions of the Commonwealth. GO Virginia operates on three core principles: 1) strong private sector growth and job creation are necessary; 2) collaboration among business, government, and higher education is crucial for economic growth and diversification; and 3) the state government should provide incentives for strategic job-focused collaboration in each region.

How is GO Virginia funded?

The General Assembly initially allocated \$35.95 million for the statewide GO Virginia initiative. The program continues to be funded through the Virginia Biennial Budget.

What is Regional Council 9?

GO Virginia started with nine Regional Councils to facilitate regional projects. Region 9, or the Piedmont Opportunity Corridor, includes Charlottesville and eleven counties: Albemarle, Culpeper, Fauquier, Fluvanna, Greene, Louisa, Madison, Nelson, Orange, and Rappahannock. This region aligns with Planning Districts 9 and 10 and Virginia Career Works – Piedmont Region.

What types of projects are eligible for funding?

Proposed projects must align with the opportunities specified in each region's Growth & Opportunity Plan, as well as state GO Virginia priorities. Each project requires participation from at least two localities. The Region 9 Plan outlines eligible project strategies for specific target industries, as highlighted here:

Strategies

- Talent Development
- Innovation/Entrepreneurship
- Growing Existing Businesses
- Site Development

Target Industries

- Information Technology
- Food & Beverage Manufacturing
- Financial & Business Services
- Light Manufacturing
- Biotechnology

What is the Central Virginia Partnership's role with GO Virginia?

The Central Virginia Partnership for Economic Development fiscally and administratively supports the GO Virginia Region 9 Council. They are the region's sole regional economic development organization. For more details, visit www.centralvirginia.org.

Where can I learn more about GO Virginia?

Regional Council 9 Structure and Responsibilities

The Region 9 Council consists of 23 members, primarily from the private sector. The Council is required to have a majority of Private Sector Members with at least five years of business leadership experience and to ensure gender and ethnic diversity.

Council Membership Seat Allocation

Private Sector (12 Members)

Chambers of Commerce (4)*
At-Large Private Sector (5)**
Partnership Board Members (2)
Workforce Development (1)

Public Sector (11 Members)

Regional Commission Directors (2)
Localities/Elected Officials (4)
Educational Institutions (3)
Local Economic Development (2)

Private Sector Member representation should include:

- Small businesses (up to 50 employees)
- Large businesses (50+ employees)
- Entrepreneurs
- Innovators in growing industries
- Experienced professionals
- Leadership/management experience required (five or more years in private business)

* Only the Chambers of Commerce from Region 9 are authorized to nominate private sector businesspersons for designated seats on the Council, when available.

**The public is invited to submit nominations for At-Large Private Sector Seats. Local business organizations and leaders are encouraged to nominate other distinguished business leaders, and self-nominations are also welcome.

Council Member Terms

Unless a seat is vacated mid-term, there is a three year term commitment that begins on July 1. Vacancies are filled for the unexpired term.

Time Commitment

Regular attendance and engagement at Council Meetings is expected. There are five meetings per year, each lasting two hours. In-person quorums are required in most cases.

Each member joins one of four Region 9 Task Forces: Sites, Talent Development, Growing Existing Business, or Innovation/Entrepreneurship. They support strategy development and review proposals. Additional service may be required for the Nominating or Executive Committees.

COIA

Council Members must complete online training on the Conflict-of-Interest Act (COIA) within 30 days of their appointment. Regional Council members do not need to file economic interests unless specifically required.

VIRGINIA INITIATIVE FOR
**GROWTH &
 OPPORTUNITY**
 IN EACH REGION
 REGIONAL COUNCIL 9

GO Virginia is an economic development initiative designed to diversify and strengthen regional economies by offering grants that drive collaboration between **business, education, and local government.**

Grant Opportunities Identified in Region 9 Growth Plan Update - 2023

The Region 9 Council is seeking grant proposals that drive opportunities identified in the Region 9 Growth & Diversification Plan Update, as summarized below. For deadlines and details go to www.GOVirginia9.org.

Talent Development

1. Build a comprehensive regional workforce coalition or initiative to drive collaboration and efficiency in the Region 9 talent development ecosystem for target sectors.
2. Drive target sector talent pathways planning efforts as described in the Region 9 Request for Letters of Interest for the Talent Pathways Initiative (TPI) planning grants.
3. Develop sector driven credentialing, apprenticeship, and internship programs for target industries.
4. Evaluate and/or drive strategies to address regional demand for Software Developers (SOC 15-1252).

Growing Existing Businesses

1. For each target cluster, re-evaluate industries within each cluster as defined in 2017 and identify gaps in growth to develop recommendations for future implementation grants. (i.e. using Cluster Based Economic Development Model, DHCD, 2023)
2. Support implementation grants from gaps identified through planning grants or other regional reports such as the CEDS Plans to be published in 2024.
3. Support sector led verticals to address business-identified and validated sector gaps to traded sector growth.
4. Support implementation of a biotech wet lab accelerator/incubator model to support expansion in the sector.

Startups/Innovation/Commercialization

1. Support recommended implementation grants that catalyze growth in target sector entrepreneurship as prioritized in the Regional Entrepreneurship Investment (REI) Plan in development.

Sites

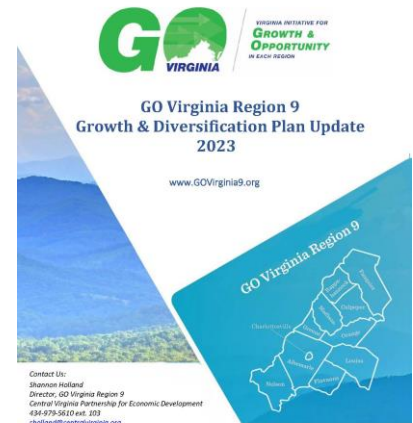

1. Develop a plan for regional site development with a goal of identifying priority target sector sites in the region and a sustainable plan for advancing a portfolio of sites and a regular cadence for site projects.
2. Support future planning and/or implementation projects identified in the regional sites plan.
3. Evaluate strategic advantages for site development collaboration
4. Drive the continued development of regionally prioritized sites.
5. Evaluate RIFA development opportunity.

Other

1. Support planning grants to assess, map, and support the development of emerging industries for which this region may have a competitive advantage using Cluster Based Economic Development Model, DHCD, 2023) (i.e., Ag-Tech, Clean Energy, etc.)
2. Support implementation grants identified in the above report.
3. Evaluate grant opportunities that align with the Growth Plan that are identified through the Comprehensive Economic Development Strategies (CEDs) to be published in February 2024
